Name of my University
My Department

Name of Class
Author: My name
Exam Name: Version 3
Current Term

Name: _____ Card: _____

Instructions for this test:

- Make sure you finish before the end of time
- There is only one correct answer in all multiple choice questions
- Don't cheat!

Good Luck!

Instructions on how to use MyRandomTest (DELETE THIS in FINAL VERSION)

- The switch statements for the text of the questions, including main text and answers are defined as @Text for version 1—Text for version 2@. Fell free to define as many versions as needed.

- You can define the right answer in each version of the test by assigning the character [ver] in the right answer for version ver. See the rest of the file for examples.

---

1. Consider the following statements:

    I The color of the sky is generally red

    II R has a low number of packages for empirical research in Finance

    III Microsoft word is much worse than latex for handling structured documents
